No. 24.

## The Schoolma'am's Raise.

Year by year, and day by day,  
She lived in hope of higher pay.  
She saw the city prosper grow,  
She saw the schoolhouse overflow  
With hosts of children large and small;  
And patiently she taught them all.  
And as the season swiftly flew  
She sometimes taught their children  
To draw, too.

Through weary months of busy days,  
The schoolma'am hoped

to get a raise!  
She did all that a woman could;  
Her arguments were sound and good.

She drew petitions up, so fine  
That all the people ran to sign.  
The Common Council all agreed  
That she should have it, yes, indeed.  
The Board of Education made  
Long, smiling promises of aid,  
While out of all the tangled maze  
The schoolma'am hoped

to get a raise!

At last it seemed the way was cleared;  
At last the needed funds appeared.  
But still the Board could not decide  
Just how these funds should be applied.

Raise by experience? Or by grade?  
So still they wavered and delayed;  
They weeded out a girl or two  
Who didn't have enough to do;  
These surely were the halcyon days.  
The schoolma'am hoped

to get a raise!

But weary decades came and went,  
Until her faithful life was spent;  
And now across her lonely grave  
The long green grasses gently wave.  
Her tombstone, in its ancient place,  
Stands up, yet lies upon its face,  
For though it says she has gone  
higher,

I know her soul must still aspire,  
And lingering, long for Gabriel's days,  
When every schoolma'am

gets a raise!  
FLORENCE MAY ALT.

## The World-Reformer and His Wife.

Said Farmer John to Joiner Ned:  
"Come put a back door on my shed."

Said Joiner Ned to Farmer John:  
"I cannot put your back door on.  
The Guild I'm interested in  
For the abolishment of sin,  
Meets at my house this very day,  
And so I cannot get away."

"Well, after you've abolished sin  
Come down to morrow and begin;  
I want that back door in my shed,"  
Said Farmer John to Joiner Ned.

"To-morrow, neither, can I come,  
The Friends of the Millennium  
Meet at the house of Deacon Kent,  
And I am first Vice-President."

"Well, then, next Wednesday, without doubt,  
When your millennium's started out,  
Just let it take its course and spread,  
And put that back door in my shed."

"I read an essay Wednesday, John,  
Before the Culture Club, upon  
"The Easiest Method to Restore  
Our Long-lost Eden Here Once More."

To foster peace, abolish war,  
And render virtue popular."

"Well, get your Eden here all right  
By sundown, prompt, next Wednesday night;  
And then, next Thursday morning,  
Ned,

Come put that back door on my shed."

"The Anti Hunger Club convenes  
Next Thursday, down to Hiram Green's,  
And I have promised to orate  
On how to crush and extirpate  
Man's tendency for fish and meat,  
His grovelling desire to eat."

"But won't you come down, by and by,  
We'll say two years from next July?  
You'll have your various schemes  
put through,  
You'll have the universe built new;  
Come down, then, with your tool-kit, Ned,  
And put that back door in my shed."

"I think," says Ned, "I'll take that chance  
If you will pay me in advance;  
For my wife says that we've no meat  
And flour in the house to eat;  
This cash may save domestic strife  
And kind of pacify my wife."

SAM WALTER FOGS.
